

The diagram illustrates the relationship between various VPS sessions and their corresponding A, B, C, and D sessions. The sessions are organized into a grid-like structure with horizontal and vertical lines connecting them.

- Top Row:** A5, B1 VPS Mon Jan 20, 6pm, Ct. 2, A6. A horizontal line connects A5, B1, and A6.
- Second Row:** A1, C1 VPS Mon Jan 13, 6pm, Ct. 3, A2. A horizontal line connects A1, C1, and A2.
- Third Row:** A3, C2 VPS Mon Jan 13, 6pm, Ct. 4, A4. A horizontal line connects A3, C2, and A4.
- Fourth Row:** C3 VPS Mon Jan 20, 6pm, Ct. 3. A horizontal line connects C3.
- Fifth Row:** C1, D1 VPS Mon Jan 20, 6pm, Ct. 4, C2. A horizontal line connects C1, D1, and C2.

Vertical lines connect the sessions in the following manner:

- A1 is connected to C1.
- A2 is connected to C3.
- A3 is connected to C2.
- A4 is connected to C2.
- A5 is connected to B1.
- A6 is connected to B1.
- C1 is connected to D1.
- C2 is connected to D1.
- C3 is connected to D1.
